

A&L Goodbody

Awarding Public Contracts Skillfully & Lawfully within the Procurement rules

Social Value

Anna-Marie Curran, Partner

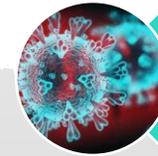

2020

The Question

Supported by legally robust examples that work, how do you attribute cost to social value objectives such as climate change, population health and wellbeing?

Social Value in Public Procurement

Impact of Covid

Social Policy Initiatives

EU Procurement Rules

Attributing Cost to Social Value

Example 1

UK National TOMS Framework
2020

<https://socialvalueportal.com/national-toms/>
